

PARTI GERAKAN SYMBOL

The party symbols consist of the party Emblem and the Party Flag. The party emblem consists of five golden stalks of 12 grains of paddy on a green background, enclosed within a white equilateral triangle. The party flag has the emblem on a Red background which represents Life and Courage.

GREEN background represents Nature and the Earth, the basis of prosperity and good life

GOLDEN Paddy represents Prosperity

WHITE triangle represents Equality, Purity and Justice for All

Five paddy stalks represent 5 communities. They are the Malays, Chinese, Indians, the Orang Asli (indigenous people) and others. They are united by a common bond. All communities value rice thus it is the unifying symbol.

12 grains of paddy in each stalk represent 12 months of prosperity, harmony, justice and purity for all.

Total 60 grains of paddy represent the Election cycle of 60 months, one term of office to ensure the above.
